# TUCK'S POST CARD

CARTE POSTALE

**The Half-Moon Battery and Esplanade, Edinburgh Castle, with the Sir Douglas Haig Memorial in the foreground.** Edinburgh Castle is an ancient and historic building situated on a precipitous hill in the centre of the town. This almost impregnable position has made the hill the site for a castle from very early times. Up these heights Claverhouse climbed to interview Gordon, with the object of persuading him to raise his standard on behalf of James Stuart. The ancient Scottish regalia is kept here.
